A passage I want to remember

> In the Western churches, the span from Ash Wednesday to Holy Saturday is 46 days, because the six Sundays are not counted in the 40. Readers who follow the Orthodox calendar can read the same readings in order from the start of Great Lent. If you start late, follow today's date and read the earlier chapters when you can.

Check off each completed reading. If you miss a day, pick up where you left off.
